LED DECORATIVE LIGHT STRING SERIES

LED Tape Light

LED Tape Light is a single color, LED based, energy saving, low voltage 12/24V, outdoor, flexible, and linear, commercial decorative lighting product. Constructed of a thin profile 4 wire, PVC encapsulated wire each LED provides Super Bright LED illumination, and extreme long life. LED Tape Light is easy to install and can be cut to any desired length and is populated with Super Bright single color LED's. LED Tape light can be applied both indoors and outdoors.

LED Tape Light was developed to be an energy saving, and long life direct replacement to high energy consuming incandescent tape light.

OUTDOOR USE
