

# Flush Mount Pixie®

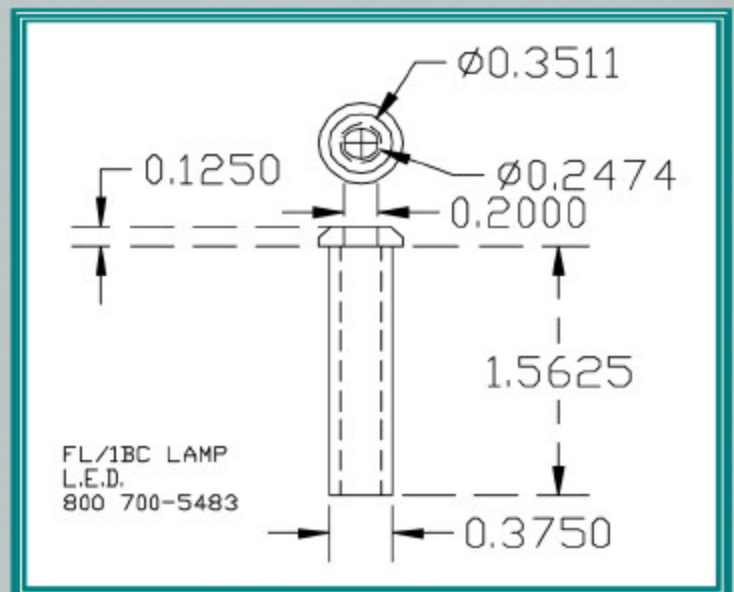

## FLUSH MOUNT PIXIE LITE

- Great for Small Accents
- Hard to light areas
- Spotlight effect of art work

This clear anodized aluminum fixture with a single 5 mm LED can be used alone or in groups to highlight, illuminate or accent steps, cabinets, or any small area that would be otherwise un-lightable. Using only 0.07 watts at 12v DC per fixture, these energy-efficient LED's are available in red, amber, white, blue and green to accent any color scheme. A single 12vDC power supply will handle up to 65 units.
